Call to order

Charlotte McCoid began the meeting at 3:36 p.m.

1. Andy Raymond's gift proposal
The committee voted unanimously to accept Mr. Raymond's gift of a framed hand-stitched American Flag made by his wife Wendy as part of the Public Arts Collection. We request it to be placed in Council Chambers with a small plaque of explanation and history.
2. Discussion of charges and responsibilities of Public Arts Committee members
Joyce recommended read from the committee bylaws that new additions to the collection express the culture of the community and the collection as a whole. Charlotte reminded members of the idea of One Percent for the Arts and how new buildings in the city should contain that component.
3. Catalogue of Public Arts Collection
Joyce is working on updating the brochure, correcting it and verifying the art locations using the student members of the Arts Commission. Graphic artist Stacey Dyer of Triple Frog will be helping to design the new brochure. Joyce has taken digital photos of the entire collection.

Adjournment
